ADDRESS OFFICIAL COMMUNICATIONS TO

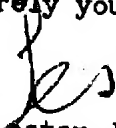

American Embassy  
Manila, Philippines, February 8, 1953

Dear Max:

Our thanks for your wonderful cooperation in bringing the "State of the Union" message to listeners here. Many points in addition to the 7th Fleet announcement were of vital concern to Filipinos. Once again you've rung the bell on public service.

As a token of our thanks for this and past cooperation, we're sending a portrait of "Ike" that you might find decorative.

Sincerely yours,

  
Lester J. Brooks  
Radio Officer
